Bob Hope I think popular music in this country is one of the few things in the twentieth century that have made giant strides in reverse. Bing Crosby In 1948, American polls rated Bing Crosby the most admired man alive, and it's no surprise given how popular he was across every major form of entertainment during the decade. With a string of major hits, Crosby was the most popular singer in the country during that era, with classic songs like White Christmas helping pave the way for other singers as varied as Bob Hope, Dean Martin, and Frank Sinatra. In fact, young Sinatra modeled his clothing and style after Crosby, who was his idol growing up. And as good as he was at singing, Crosby's work with radio technology helped pave the way for multitracking songs and making it possible to broadcast the same radio programs across...

Reviews

This book might be well worth a study, and much better than other. Indeed, it can be performed, continue to an amazing and interesting literature. I realized this publication from my i and dad suggested this book to find out.

-- Dejuan Rippin

An incredibly great book with perfect and lucid answers. Better than never, though I am quite late in starting reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).
