Brookes Publishing Co, United States, 2014. Paperback. Book Condition: New. New.. 277 x 216 mm. Language: English . Brand New Book. Help children and teens with social-emotional and cognitive challenges develop critical new skills with this quick-guide to the popular DIRFloortime(R) model. Certified DIRFloortime(R) experts show parents and professionals how to promote skill development through warm and playful interactions that make the most of children s natural interests. Floortime is a highly effective intervention approach for children and adolescents with autism and other developmental disorders. Now there s a step-by-step guide for parents to LEARN and professionals to TEACH the DIRFloortime(R) model of helping young people with social, emotional, and cognitive challenges. This guide takes the research-supported developmental approach to treatment and breaks it down into a curriculum of simple, sequenced strategies you can use right away to support the social and cognitive development of children and teens. Quick instructions and examples for each method are laid out for easy viewing in the midst of a play session. Certified DIRFloortime(R) experts explain the theoretical background and the basics of how to play and interact with children in ways that motivate them, make the most of their natural interests, and help them develop critical new social, emotional, and intellectual capacities. Whether you re a professional or parent, this practical, ready-to-use Floortime guide is an essential addition to your intervention toolkit. WHY USE DIRFloortime(R)? Proven effective - research-supported, field tested, and rooted in developmental psychology Targets the key cognitive and social-emotional capacities children need to thrive in the real world (see sidebar) Promotes learning and growth through play and interaction Fosters warm, attuned parent-child relationships Meets your specific needs - apply DIRFloortime(R) strategies in developmental order or use them as standalone teaching tools Gives you quick catchphrases that make strategies stick, so...
