How to Really Parent Your Child: Anticipating What a Child Needs Instead of Reacting to What a Child Does

By Ross Campbell

Thomas Nelson. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 8.3in. x 5.3in. x 0.8in. With over thirty years of clinical psychiatric experience with children and their parents, Dr. Campbell knows how profoundly a parent can influence a child. By anticipating the needs of a child rather than reacting to his or her behaviors, parents develop a relational rather than adversarial family structure. Mothers and fathers will find tools aimed to help them build a healthy relationship with their child that meets all four basic emotional needs: to be nurtured in unconditional love, to be lovingly disciplined, to be trained in anger management, and to be protected from harmful influences. It is after these basic needs are met that a child will be able to understand and respond to spiritual matters. Combining practical advice with anecdotal examples, Campbell offers a purposeful, life-long approach to building happy, healthy, spiritual children. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
