Createspace, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.By the author of Philip K. Dick: Remembering Firebright! This eclectic collection of fantasy, science fiction and the weird and unexplained, written by the wife of science fiction author Philip K. Dick (Bladerunner), appeals to the unfettered imagination. A young boy must accompany his family on the pilgrimage to the religious shrine where they offer their best produce to the Lords once a year; a man must choose between a life of drug addiction and bearing his responsibilities; a robot medic saves wounded soldiers; Morgan La Fey complains about how King Arthur betrayed her; and a UFO contactee hides from the black helicopters. This book offers something for everybody, including a tale about vegetarian dragons to be enjoyed by children of all ages! The poems have little to do with pretty flowers or romantic love, and much to do with daily life.
