

## Little Horses Stained Glass Colouring Book (Paperback)

By John Green

Dover Publications Inc., United States, 1992. Paperback. Condition: New. Language: English . Brand New Book. Eight of the world's best-loved horse breeds are represented in this collection: thoroughbred, Arabian, pinto, mustang, Percheron, Shetland pony, Clydesdale, and palomino. The pictures are printed on special paper that allows light to shine through it. First cut the pages from the book as neatly as you can. Then color the pictures, using crayons, felt-tip pens, or paints. You'll get particularly interesting effects if you color both sides, using different colors on the backs than on the fronts. When the pictures are taped to a window, the sunlight shines through them the same way it shines through colored glass! Please refer to the inside back cover for coloring hints and identifications for the horses. The order of the pages is your key to the identifications, so make a record of them before removing the pages from the book.
