Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you have longed for a comprehensive approach to heart disease that goes beyond diet and exercise then this book is for you. Pamala Perkins presents an exciting look into heart health that focuses on the underlying emotions of heart disease and heartache. If you are experiencing a condition such as hypertension, coronary artery disease, congestive heart failure, cardiomyopathy, or heartache, (just to name a few) this is innovative information you don't want to pass up. It is designed to complement your current treatment program to give you the optimal approach to heart health. The Art of Heart Healing Handbook is a ground breaking approach that opens up a vast world of understanding by looking at heart disease from a new perspective. It offers an energetic blueprint of the physical heart based on emotions of the heart. Unresolved emotion can contribute to disease processes affecting the workings of the heart. The Art of Heart Healing Handbook is an examination of those disease processes from an emotional/energetic point of view as well as offering help for resolving the emotions associated with each condition. Pamala approaches the Art of Heart Healing from the unique perspective of enhancing energetic flow to promote physical regeneration of the heart. Learn how your everyday interactions with yourself and others parallel the energetic function of the heart and how unresolved emotions can contribute to specific conditions affecting the heart. This work has evolved from Pamala's lifetime study and observation first as a Registered Nurse in coronary care units over a span of thirty plus years and then as a student of the human energy system over the last twenty years. The result is...
