**THE FORBIDDEN LIBRARY >>> THE OFFICIAL DOODLED BOOKS® PRESENTS AN EXCLUSIVE LIMITED EDITION RARE FIRST EDITION FIRST PRINTING >>> A BOOK COLLECTOR'S DREAM!!!****DOWNLOAD**

Doubleday, 2014. Hardcover. Book Condition: New. 1st Edition. From the astonishing imagination of Django Wexler comes a captivating debut adventure story. It's completely enchanting with all the ingredients of the classics of the genre, but told in a distinctive new voice. And it includes stunning full-page illustrations by David Wyatt. This book is part of a brand new series and is definitely one to watch! Commissioning editor Lauren Buckland bought UK and Commonwealth rights from Caspian Dennis of Abner Stein in a three-book fantasy adventure series by Wexler. Caspian made the deal on behalf of Seth Fishman at the Gernert Company. And RHCP have now published The Forbidden Library, the first book, this year. The book follows Alice after she is orphaned by her father's strange and mysterious death, as she searches for the truth. Entering a forbidden library in her house, she discovers she is a Reader, able to enter new worlds through the special books-though she must defeat magical beings to escape them. Buckland said: "The first book is completely captivating and commercial, with all the ingredients of the classics of the genre, but told in a distinctive new voice. Fans of Lewis Carroll, C. S. Lewis and Michael Ende's The Neverending Story are going to love curling up on the sofa and getting lost in this book." Django has exclusively signed, lined, dated and numbered rare first editions at his home in the US. And yes these are the true first impressions as the US edition was released a few days later. So start your collection now! About the book Imagine a world. Where cats can talk; Where fairies are snarling bald beasts with needle-like teeth; Where a huge, dark library hides secrets in its shadows; And dangerous creatures prowl the pages of books. Dare you join Alice...
