Resolved, That the President of this Society express to the Hon. E. Whittlesey, their grateful thanks for the Address with which he has favored us, and request of him a copy for publication. Canfield, July 6th, 1833. Dear Sir - The Address I delivered at Tallmadge on the 4th inst. is committed to you, to dispose of as you shall think will best advance the cause of colonization, and the interests of our beloved country. It was written at intervals, when my time was much devoted to my professional and other business, without the least expectation it would appear in print but I do not feel myself at liberty to decline your request, considering that Tallmadge has been the field where the abolition missionaries have principally labored. I endeavored to enforce the position, that the success of the abolitionists would destroy the Union, and annul the constitution; which I understood Professor Green in his criticism, and in answer to an inquiry I made of him, distinctly to admit, and avow. It is time for those who wish to perpetuate the government and the constitution, to rally for their support, and to guard them from the influence of fanaticism, in whatever garb it may appear. Be pleased to accept for yourself, and to communicate to the officers and members of the Society of which you are the organ, an assurance of my high consideration and esteem.
