

Untold Story of Universe

By Ramanand Pande

New Bharatiya Book Corporation, New Delhi, India, 2008. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. This is the first international Book to present the schematic diagram of the universe based on reportings of most ancient Indian astronomy. It also presents the alternate theory of evolution of the universe. The new theory also refutes both prominent theories of evolution of the universe viz the Big Bang Event indicating the Theory of Expanding Universe and The Steady State Theory. This book also deals with the possibility of life in other solar systems as per ancient reportings. The book also indicates the ancient unit of cosmic time The 'Yuga' which is directly associated with movement periods of all prominent cosmic assets. For the first time the correct interpretation of the ancient terms The 'Manu' and The 'Manvantar' has been made. This interpretation was even not made in the Purans. The book describes beyond the known things of the universe. Thus it has been correctly named as Untold Story Of The Universe. The book deserves attention of The NASA and International Astronomical Union.

Reviews

This pdf is really gripping and fascinating. It is actually full of knowledge and wisdom I am just delighted to tell you that this is the very best pdf i have got study during my very own daily life and might be the finest pdf for actually.

-- **Ms. Althea Kassulke DDS**

This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
