True Empathy takes you on a journey through the eyes of a care provider with thirty-two years of experience in caring for the elderly. True Empathy addresses current attitudes about aging and illustrates how our overburdened healthcare system still often neglects our most vulnerable people. This story offers hope and guidance from perhaps unexpected places. If you are concerned about your own aging, that of your parents, or that of another relative--whether aging or in the dying process--this book could prove to be an invaluable resource.
