Alfred Publishing Co., Inc., 2011. Sheet music. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Students will enjoy the beautiful and serene sounds of this solo as teachers celebrate all of its wonderful teaching points. Although it is written in C major, different major and minor 5-finger patterns are used to create interesting harmonies. Students move around the keyboard using these patterns, making this an excellent piece for developing freedom in motion. The moderate tempo and 4/4 meter aid in keeping this motion moving forward. An added bonus is the development of balance between the hands in the B section with the melody in the LH and blocked chords in the RH. The music moves between the registers and creates peaks and valleys. Musical imagery paints wispy clouds and a hint of morning mist. The tempo changes at various points allowing for moments of awe. -Jean Ritter, Progressions Magazine.
