Cherry Lake Publishing, United States, 2013. Paperback. Book Condition: New. 241 x 178 mm. Language: English . Brand New Book. The ability to recognize and correctly use the different parts of speech is key to demonstrating command of the conventions of standard English grammar and usage when writing or speaking. In this book, readers will learn about the role conjunctions play in sentences by following the story of Nancy, a girl who brings her family to see her work on display at an art show. The story and activity sidebars help introduce concepts such as correct punctuation and the use of coordinating and subordinating conjunctions.
