EDEBE, 2012. Condition: Nuevo. Leotarda isn't your average witch. She shares her house with an owl, two lizards, three cats, four spiders and 5 mice, but she still feels lonely. And what's worse, her feet get cold when she sleeps. One day, fed up with being lonely she decides to go looking for a boyfriend; but she hasn't a clue where to start. First she goes to a park filled with couples and asks the girls how they found their boyfriends. After hearing their stories Leotarda decides to buy a telephone. Maybe this is the way to find a boyfriend. On her third try someone picks up the phone but wont answer her. Infuriated, the witch decides to find him, finally discovering that the man on the other end of the line has no mouth. That's why he didn't answer her questions. But that doesn't stop Leotarda from falling in love. Since then, they say, her feet have never been cold.
