From award-winning thriller writers Brett Battles and Robert Gregory Browne. After an op in Istanbul goes sour, all Alexandra Poe wants is a little down time, and a chance to finally sell off the family vacation home in Key Largo which carries too many painful memories. Instead, she finds herself on a private Bahamian island, working with Deuce and Cooper to relieve a human rodent of some very sensitive codes, and to take down one of the world's most notorious terrorists. Just another job for Stonewell International. Or is it? What Alex doesn't realize is that she's about to get caught up in a twisted maze of shifting allegiances that forces her to face those painful memories head on even if it's the last thing she ever does.
