Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Dr. Stephanie Aldrich has taken her 17 years of practical experience in her general dentistry practice- Akron Dental Concepts- and has written a simple, no-nonsense guide to help people that have questions and concerns about their mouth and smile. -There s nothing in the book that I don t talk about each and every day in my own office with my own patients, - says Dr. Aldrich. -When these issues arise, they can be complicated and confusing if they re not broken down step by step. I try to give the reader a simple explanation of some common problems I see in my practice. Hopefully this will help create a dialogue between the consumer and their own dentist so they can be better informed and make the right choice for them and their budget- Do you enjoy eating hard crunchy foods? Have you ever had a front bonded filling chip off over and over again and your dentist can t keep it on? Do you brush your teeth with whitening toothpaste? Have you ever tried to floss but can t seem to get your -man hands- clear in the back of your mouth to get those back teeth flossed? Is your toddler running around with a thumb or binkie in his/her mouth? Do you take medications that cause your mouth to be dry? Are mornings rough for you because you wake up with a headache? Are you without dental insurance? Have you ever been in the dental chair and your hygienist starts speaking another language to the dentist about your mouth and you wonder what the heck they are saying? If you answered Yes to any of these questions, -Nothing...
