ABC-CLIO. Paperback. Book Condition: new. BRAND NEW, School Library Storytime: Just the Basics, Brenda S. Copeland, Patricia A. Messner, Brenda S. Copeland, School Library Storytime: Just the Basics is the perfect resource for library aides, paraprofessionals, or other library staff who conduct storytime in a school library media center. It provides all of the essential information, materials, and step-by-step guidance needed to facilitate these all-important events for children in kindergarten through second grade, allowing library staff without previous training or experience to get started with confidence. The fifth title in the highly regarded Just the Basics series, this book starts with an introduction, followed by explanations of how to read aloud and tips for managing and working with children in the primary grades. The authors suggest specific picture books that tie into school year-based themes and supply materials that can be used as listed or easily modified to meet the individual library's needs. Event-specific lessons are supplied for many weeks within the school year, making this title one that educators will rely on for storytime ideas from September through May.
