Tate Publishing Enterprises, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. As a child, Haley could not stop drawing; she would draw on anything she could. She would carry a pencil and paper and no matter where or when. she would draw. It wasn't until she was in middle school that we noticed that she had a true gift from God. Blessed by the Lord above, she is a passionate, creative, and driven young lady. Now a senior in high school, she continues her passion to write, illustrate, and pursue her dreams to someday become a well-known animator. When writing and illustrating this award-winning children's book, Fishy Tales, she created each and every character, their personalities, and a storyboard was in the works. Her love for developing stories, character design, and two dimensional art shines through each and every page of this adventurous tale of Dot the Sea Turtle. An amazing young lady, a child of God, she represents the character and wisdom, which guides her life, and is a role model to many. Thank you for supporting this talented young artist, writer, and illustrator; her future is bright, and her path is paved with blessings.
