Michael Sharp is a sociologist and mystic who has traveled an accelerated path of spiritual awakening. In this book Michael shares with you the deep truths about your body and its true function as a creation device. In this book Michael explains to you about your body's major energy system (i. e. , its chakra system) and why it is so important to understand that system. The truth is, your body is not just dust. It is an amazing tool with unlimited creative potential. All you have to do, as Michael says, is get over your fear of it and activate it with a simple, 30-second meditation. Following a discussion of major system blockages and how to clear those, Michael goes on to explain the form, function, and purpose of each of your major chakras. The goal in this book is to get all your chakras open and blasting. The change that you see around you and that is accelerating starts here. If you want to be part of that positive sea of change, this book is for you. --Reader Comments The picture of Reality that Michael Sharp presented is so breathtakingly grand, so unbelievably comprehensive and spiritually beautiful, I said to myself that I would rather try this configuration of the truth and be wrong, than be right about anything else that I had ever come across -- Kelley Gardener Thank you, Michael.
