Authorhouse. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 8.8in. x 5.9in. x 1.0in. What wisdom do Resilience Builders have that gives their enterprises the ability to grow, survive hardships, and return to growth? How do they build their organizations on competitive platforms that give their companies a strong and well-defined identity to suppliers, employees, and customers? How do they alter those platforms as their industries are impacted by predictable and unpredictable changes? Resilience Builders create lasting prosperity for those around them despite the shocks that come their way. These great leaders are members of a unique breed. Their stories are told and their methods examined in this pioneering book. This work proposes four essential elements of resilience and it shows how Resilience Builders masterfully use these elements to build firms that are impact-resistant growth generators. Neither stunning profits nor a huge market cap are needed in order to be resilient. Fame is not needed, nor is a celebrity CEO. To achieve resilience all that is needed is the ability to create healthy growth and to return to growth, despite adversities. In *The Wisdom of Resilience Builders* Rick Tirrell, Ph. D. , reveals the skills of these remarkable leaders and shows how they build the world's most durable organizations. Their unique abilities can be imitated by all who have enough curiosity to read this book and the patience to guide their firms carefully. You can gain the wisdom of Resilience Builders; know what they know, and do what they do. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
