CARDS ON THE TABLE: (THE COUPLES COMPATIBILITY CARD GAME) - THE HANDBOOK EDITION (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.CARDS ON THE TABLE (The Couples Compatibility Card Game) - Handbook Ed., the book by Brick Casey that is designed to help break-the-ice amongst those who are newly dating, (or considering to do so).While this game is solely for entertainment purposes, it is hoped that by playing, people are better able at understanding just how compatible they truly are, (or are not).In short, when dating, there are many questions that prospective partners have towards one another. Many of these questions we dare not to ask, (yet secretly allow the process of Life to present those issues as they arise).With this game, one is able to tackle those hard-to-do questions in a friendly and fun way.It is also my hope that those who plays this game, will do so with an open, unbiased and honest approach towards the questions, (as honesty yields the best compatibility ratings).In closing, I wish all who play the best and many days of a healthy, love-filled and compatible dating life together.Enjoy the game.Sincerely,Brick Casey.
