

## Cool Food

By Tracy Stewart

Dog Ear Publishing. Paperback. Book Condition: New. Paperback. 336 pages. Dimensions: 9.2in. x 7.5in. x 0.9in. Eating should be a joyful experience and promote good health. The choice of what you eat matters. Food goes to the core of your energy and has direct impact on your wellbeing. Food indeed is medicine. Cool Food was written for those of you who have discovered that you cannot eat foods that create heat and dryness in your body. When you first hear that you should avoid onions, garlic, peppers, sugar, chicken, turkey and other common foods you wonder what you can eat. This cookbook contains over 300 recipes. Some dishes are old favorites adapted to avoid warming foods while others are variations on exotic flavors from foreign lands. I hope that Cool Food will provide you with many new dishes to try as well as inspire you to create wonderful recipes of your own. I wish you vibrant health, fun in the kitchen and joyful eating. Tracy Stewart received her Biochemistry degree from UC Berkeley and worked in medical and pharmaceutical research and development for many years. In 1989 she obtained her acupuncture degree from J. R. Worsley at his college in England...
