Bei Mehrfachbestellung werden die Versandkosten anteilig erstattet. - Cisco CCNP Training Kit is a unique CBT product designed to offer both in-depth instruction on exam topics and a robust test bank of practice exam questions. This product offers a comprehensive solution for truly learning the concepts behind the questions, so that candidates are not only prepared to succeed on the exam, but also in their daily job as a CCNP certified networking professional. The CCNP Training Kit study material is supported with integrated assessment exams and objective quizzes to ensure that candidates have really mastered the material. Since CCNP certification candidates will need preparation materials for all four exams in order to attain or retain their CCNP, this training kit will likely be a key component of their self-study program. This is the only single product available to help candidates prepare for the entire range of CCNP exams. 40 pp. Englisch.
