City Lights Books, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Winner of the 2015 PEN Oakland Josephine Miles Literary Award In her debut collection of verse and prose, Moise moves deftly between memories of growing up as a Haitian immigrant in the suburbs of Boston, to bearing witness to brutality and catastrophe, to intellectual, playful explorations of pop culture enigmas like Michael Jackson and Jean-Michel Basquiat. Be it the presence of a skinhead on the subway, a newspaper account of unthinkable atrocity, or the noose loosened to necklace of desire, the cut of Haiti Glass lays bare a world of resistance and survival, mourning and lust, need and process, triumph and prayer. Lenelle Moise is an award-winning poet, playwright, essayist and internationally touring performance artist. She creates jazz-infused, hip-hop bred, politicized texts about identity, memory and magic. Her poems and essays are featured in several anthologies, including: Word Warriors: 35 Women Leaders in the Spoken Word Revolution and We Don't Need Another Wave: Dispatches from the Next Generation of Feminists. Her writing has also been published in the Utne Reader, Make/Shift, Left Turn, and numerous other magazines and journals. A current Huntington Theatre Company Playwriting Fellow, her plays include Expatriate, Merit and The Many Faces of Nia. She lives in Northampton, MA where she was the 2010-2012 Poet Laureate. Haiti Glass is her long-awaited first book and she is available for interview. Praise for Haiti Glass: Haiti Glass is a magnificent collection of poetry and prose. Part mantra, part lamentation, part prayer, this incredible book puts us wholly in the presence of an extraordinary and brave talent, whose voice will linger in your heart and mind long after you read the last word of this book. --Edwidge Danticat Very powerful poetry and prose. The...
