IT Governance Publishing, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. 75 of companies without a business continuity plan fail within three years. Disruptive incidents can affect any organisation and occur at any moment. The book also takes account of industry standards and guidelines to help steer the reader through the validation process, including the international standard ISO 22301 and the Business Continuity Institute's Good...
